Backend: Node.js, Express.js

Database: MongoDB, MySQL

Programming Languages: Java, Python

Tools: Git, GitHub, Postman

Problem Solving: HackerRank, GeeksforGeeks, LeetCode

EXPERIENCE

BCA Student Full Stack MERN Developer | *Ghaziabad, India*

EDUCATION

Bachelor of Computer Applications | *Computer Science And Application*

HItH University, Budh Nagar Loni, Ghaziabad, U.P.

- Problem Solving
- Java Programming
- Python Programming
- DBMS
- MERN Stack Development
- REST APIs
- Computer Networks
- Operating Systems
- MySQL Database

PROJECTS

MERN Authentication System

- JWT Authentication
- Login/Signup
- Password Reset via Email
- Protected Routes

E-Commerce Website

- Product Management
- Cart System
- User Authentication
- Admin Dashboard

Portfolio / Blog Application

- CRUD Operations
- MongoDB Integration
- Responsive Design

CarePoint

- Healthcare appointment & patient management platform
- Doctor-patient scheduling system
- Secure MERN-based backend with role-based access

MyCommunity

- Community engagement and discussion platform
- User posts, groups, and notifications
- Real-time interaction features

Creators_Mart

- Marketplace for creators to sell digital/physical products
- Seller dashboard and order management
- Secure payment and cart integration

Events_Handling

- Event creation, booking, and management system
- Admin panel for organizers
- Attendee registration and tracking

Religious_Portals

- Information and services portal for religious communities
- Event/announcement listings
- Donation and community update modules

Shopkeeper Delivery Portal

- Order and delivery management for local shopkeepers
- Real-time order tracking
- Inventory and delivery status dashboard

Neighbour Helping Portal

- Platform connecting neighbours for mutual assistance
- Request/offer help listings
- Location-based matching system

ACHIEVEMENTS

- Solved 50+ coding problems
- LeetCode - 40+ problems solved in Java
- Built 3+ full-stack web applications
- Active GitHub contributor
- Participated in coding contests
- Hackathon winner
- HackerRank - 2 star
